

PROCURE4HEALTH OPEN MARKET CONSULTATION – Q&A DOCUMENT

“Sustainable Personal protection against pathogens in the Health Care context”

Question:	Answer:
1. Do you already have a timeline for the PCP?	No. PROCURE4HEALTH is an EU-funded Coordination and Support Action (CSA) that aims to improve cooperation among European Health organisations and prepare the grounds for a future innovation procurement project. The timeline for the PCP will be defined at the tendering stage.
2. Are manufactures involved in the sustainability working group?	No. Until now the PROCURE4HEALTH working groups have been limited to public procurers. This may change in the future.
